SIGNATURE INTERIORS
Exquisite Handcrafted Soft Furnishings, Upholstery & Designs

Bespoke. Handcrafted. Impeccable.

Hello and welcome to our February newsletter, we think you're going to love what we've got in store.

We're embracing the short, sweet month of February with a top tip on how to get more from your curtains; before and after pictures that prove you can breathe new life into much-loved pieces; and a special treat for every order placed this month - enjoy!

Interlining Explained

If you want curtains that not only hang beautifully and fill a frame wonderfully, but also help to insulate your home *and* keep out unwanted noise, then you need to [read this piece on interlining](#). You'll never look at curtains in the same way!

Breathing New Life into Old Favourites

We all have one - that treasured piece of furniture that has been so well-loved that it's starting to look a little bit tired. Frayed seating, chipped veneer and loose legs can make it hard to visualise how it can be restored to its former glory, so let us show you the art of the possible through some [before and after pictures of completed projects](#).

With Love, From Me to You

When you confirm a project with us during February, we'll make the delivery or installation even sweeter with beautifully presented heart-shaped, handmade Macarons.

Offer expires on the 29th February and terms and conditions apply.

Spread the Love

Do you know someone who is planning on renovating their home, is seeking direction on decoration, or simply cannot find the perfect curtains or blinds? We'd love you to pass our details on. And if you do, and your friend places an order with us in February, we'll send you some handmade heart-shaped Macarons too.

With thanks and warm wishes
