Benjamin Moore Colour Of The Year 2018

Benjamin Moore reveals Caliente AF-290 as its Colour of the Year 2018

Strong, radiant, full of energy, Caliente is total confidence. It's the signature colour of a modern architectural masterpiece; a lush carpet rolled out for a grand arrival;

the assured backdrop for a book-lined library; a powerful first impression on a glossy front door. The eye can't help but follow its bold strokes. Harness the vitality. — Ellen O'Neill
